From the Golf Pro

The CDGA handicap fee for this year has stayed the same. Individual dues for the 2010 golfing season will be \$21.00 per person. This amount will be billed in February.

If you are planning to drop your handicap, you must do so prior to Tuesday, April 20, 2010. No credit will be issued for deletions after this date. Please call the Pro Shop to delete your name from the handicap list.

The golf shop will reopen on Tuesday, March 2, 2010. If you need anything prior to this date, please call me at my home, 864-5135.

Thank you,
Michael

From the Greens Superintendent

As I am writing this newsletter article, we are getting more moisture, but at least the temperatures are warm enough that it is in the form of rain and not snow.

The grounds crew is busy cleaning, painting, repairing and getting the equipment ready for the upcoming golfing season. If you throw in plowing snow, shoveling walks and salting roads as weather conditions dictate, we are staying very busy. Before long, the sun will be shining and the golfing season will be upon us.

The grounds crew took on another project - the Oakroom. With the removal of wallpaper, dry wall work, painting, and some ceiling work, that Oakroom has taken on a whole new fresh look. The carpet is being installed this week and the transformation will be complete. I hope you enjoy the new look and the work that went into it.

*Happy
Valentine's Day*

From the Desk of the Chef:

I hope everyone is staying warm through this typical central Illinois winter. I wanted to say thank you to everyone for making 2009 a very large personal success for me. I hope I didn't hurt anyone waste line to bad.

I have been asked a couple of time already about my herb and tomato garden. I am happy to report that I have ordered many different types of herbs for this season and I have also ordered a few tomato plants. The best part of the garden this year will be putting it in the ground under the windows outside the Oak Room. As hot weather returns please come by and help yourself to some herbs.

I hope to make playing #18 just as hard this year with the BBQ and smoke, so please watch out and smell for smoke. Don't forget to make your Valentines dinner plans. Please look for our theme night dinners coming back very soon.

Don't forget cook and eat well, and don't pass up dessert.

Chef Brian
