"WELCOME IN SPRING"

Featuring

More details to come!

From the Club House Manger

I hope that all of you had a wonderful and safe holiday season. I believe we had a successful December at the Club and I am glad many of you joined us for one or more of our holiday events. It is hard to believe that 2009 has already past, but I am looking forward to 2010.

The Social Committee is planning some new events that I think will be quite successful and the Membership Committee will also be doing some things as well. Don't forget to tell all your friends and family about the Junior and Summer Social Membership opportunities. Both are outlined in this newsletter, but please feel free to call with any questions.

On a different note, many of you may know that the state imposed a substantial tax on liquor beginning September 1st. At that time we chose to not raise alcohol prices, but after careful consideration and comparing pricing in the area, it was decided that there will be an increase when we return in January.

I hope the New Year is another successful one for the Club. We have lots of things in store that I hope you all will find enjoyable.

Shannon

2010 MINIMUM SPENDING

In order to accommodate the various needs of the Membership, the Club will again offer the Annual Minimum Spending of \$1,000.00. Those members who do not choose this option will continue to be subject to the quarterly minimum of \$250.00. Food and beverage only will be applied to the minimum and there will be no exchange of merchandise, such as steaks or wine, for the minimum. Adult children will not be allowed to use their parent's minimum if the parents are not with them.

Due to changing the quarters to correspond with the fiscal year, the Annual Minimum will be billed on your January statement and payable by February 25th. The quarters will be February 1 - April 30; May 1 - July 31; August 1 - October 31; November 1 - January 31.

From the Golf Pro

The Golf Shop will reopen on Tuesday, March 2, 2010. If you need anything prior to this date, please feel free to call the office, 423-7789 or my home, 864-5135.

I would like to thank the members for the generosity you showed to Nick Taute and my staff this holiday season. It was greatly appreciated.

Thank you,
Michael

Golf is deceptively simple and endlessly complicated; it satisfies the soul and frustrates the intellect. It is at the same time rewarding and maddening - and it is without a doubt the greatest game mankind has ever invented.

- Arnold Palmer

It takes hundreds of good golf shots to gain confidence, but only one bad one to lose it.

- Jack Nicklaus

You don't know what pressure is until you play for five bucks with only two bucks in your pocket.

- Lee Trevino

The best exercise for golfers is golfing.

From the Greens Superintendent

I have a couple of things to talk about that have been brought to my attention and to some of the Board Members.

First of all, in regards to the speed bumps being taken out of the road. That was done strictly to winter coming on and making it easier to plow the snow. They are to be reinstalled in the spring. We are looking at some different designs, but for now, we will be reinstalling these.

The second item I need to address is people with pets. There have been complaints recently regarding owners of dogs not cleaning up after them. We are asking that all pet owners respect the beautiful golf course we all enjoy and pick up after our pets. Please say something to anyone you observe not following these guidelines.

Along the same lines are non-members walking their pet on club property. They should be told not to walk their animals on private property, or better yet, tell them to join the club, we would love to have them as members. The club is a beautiful and unique area, so let us all work to keep it that way.

Have a wonderful New Year.
