MARK YOUR CALENDARS AND PLAN TO ATTEND THE ANNUAL MEETING

MONDAY, SEPTEMBER 17, 2007

THIS IS AN IMPORTANT MEETING FOR ALL
SOUTH SIDE VOTING MEMBERS.

PLEASE PLAN TO ATTEND
AND CAST YOUR VOTE.

Golf tip of the Month

Rule Tip

Playing #15, your ball lands short of the bridge by the green and bounces into the water passing over red stakes.

What are your options?

A. Play a ball as nearly as possible at the spot from which the original ball was last played.

B. Drop a ball behind the water hazard, keeping the point at which the original ball last crossed the margin of the water hazard directly between the hole and the spot on which the ball is dropped, with no limit to how far behind the water hazard the ball may be dropped.

Because red stakes define a lateral water hazard, you have two additional options.

C. Drop a ball outside the water hazard within two club lengths of and not nearer the hole where the original ball last crossed the margin of the water hazard.

D. Drop at a point on the opposite margin of the water hazard equal distant from the hole.

The last option, allowing the player to drop a ball on the green side of the hazard thus taking the bridge and big tree out of play, is your best choice.

Hope this helps.

Michael

From your General Manager

A total of 474 people were served at the Fourth of July celebration, making this the most attended and one of the most successful Club events in our history. I would like to thank the entire South Side Country Club staff for a job well done.

The next major social event of the year will be the **MEGA DRAWING AND DINNER DANCE** on Saturday, August 25th. "Soul Purpose" will be here to entertain that evening. For more details, look on the inside cover of this newsletter.

The golf course is under tremendous stress this time of year from the high heat and high humidity. Golf carts are the number one cause of damage to golf courses. I would appreciate it if we go back to the two carts per foursome concept for the remainder of the golf season.

Thank you,
Michael

From the Greens Superintendent

I would first like to wish Jarred Hare, who has worked on the golf course the past two summers, good luck as he has left for the U.S. Army.

I cannot believe that July only has a little over a week left in it. It sure seems like this year is flying by.

One project we are working on at this time is seal coating the cart paths. The front nine paths are finished at this time and by the time you are reading this article, most of the back nine should be finished. I want to thank the Dunn Company, especially Matt Naber, for working with me on this project. They are renting us equipment and material to speed up the operations with very little inconvenience to our golfers. We did have to shutdown the back nine one whole day, because of the bridges, but this was done on a Monday.

The course, in general, is going through the summer in pretty good shape. We have experienced some disease pressure, but fungicides have kept them in check.

There is still plenty of great golfing ahead this summer. Come and enjoy it every chance you get.

John Tonsor
Golf Course Superintendent

The Holidays are Coming!

If you need to plan an office party, a family get together or just a party for fun, now is the time to do so. There are still dates available in November and December for those special events. It is never too early to start planning for your holiday events.

South Side can provide you with all your party needs. Call Tina Rogers at 423-7789 to plan your event and make it the best of the season. Tina, Chef Julie and the entire SSCC staff are eager to provide you with the excellent service your event deserves.

From the Chef's Kitchen

With all the fun and events going on at South Side, it is no wonder I can't hardly believe it is already August.

With the hustle and bustle of getting the kids ready to go back to school, just come out to South Side on **Tuesday, August 28th for Italian Night**. You will be amazed by the selections of Italian entrees, salads and desserts.

Plan to come to the Club for Labor Day. There will be the String Tournament for all the golfers, a Lunch Buffet and an Evening Buffet and of course, the last day of swimming for the season. Don't miss any of the fun Monday, September 3, 2007.

Don't forget our **3rd Annual Lobster Night** is just around the corner, Saturday, September 29th. We will be flying in 1 ¾ pound live lobsters from Nova Scotia to cook for you. This event will be a four-course meal and I promise it will be worth the \$49.95 per person. **Reservations are a must** to ensure everyone has a lobster. Please make them early. I look forward to seeing everyone from last year and those of you who couldn't make it.

Have a safe and wonderful month.

Thank you,
Chef Julie

Reservation and Tipping Policy

Tuesday thru Saturday, if you have a party of five (5) or more, we encourage you to call and make your reservations. Sunday Buffet reservations of five (5) or more are always welcomed.

Please call 423-7789 with your reservation requests and we will make every effort to meet your dining needs.

For parties of 12 or more, an 18% service fee is added to the member charge in the office. This charge is not passed on to the server. If you choose to tip your server, it will be added to your total bill.
